

2020-2021 PRM Copy Numbers & Flyer Printing Information

Updated 11/17/2020

**Copy quantities are always subject to change*

Important note from the principal, Ms. Simpson:

"In an effort to help information go out smoothly and consistently to all our families, if you would like flyers sent home in folders on **Wednesdays**, please deliver it to the front office by Friday afternoon (before the end of the school day.) Please remember that flyers should be counted out and separated for each classroom. This allows time to put the information in all mailboxes by Tuesday and gives staff members the time to put it in the student's cubby or folder. Any information given to office staff or placed in mailboxes after that will be saved for the following week. If there is emergency information that needs to be sent out, it will be dealt with on a case-by-case basis and it will need to be cleared through me."
