

Dear Foundation:

I would like to personally and sincerely thank everyone who has contributed their time, energy, and money helping PRM become a better place to learn. My classroom has been positively affected by the generous donations.

Firstly, with your help and money, my students are now able to listen to their novels using the CD player. In particular, I have a student with limited sight for whom this technology has been a big help. This is a huge stress relief for me and gives me more time to spend in lessons. Also, I really appreciate the purchase of the Kindles. Everything is being used daily and is assisting in my student accommodations. Without this support and generosity, PRM would not be what it is today!

Secondly, with the funds from last year's Annual Fund we were able to purchase the WordlyWise vocabulary program for every student in 4th, 5th and 6th grade. This valuable program is helping students acquire important vocabulary and be more prepared for 7th grade success.

Again, thank you!

Ms. Abby Vagedes
