Dear PRM Family:

I'd like to share an important update about the start of school and student and parent orientations, which will take place the week of August 24. We know it's important for us to start the year off strong, and ensure our students have the technology, materials, and text books they need to be successful during distance learning.

Grades PreK-3

Students in grades PreK-3 will attend small-group sessions along with their parents/guardians. Families will be contacted individually the week of August 17 to set up a time that will work for you to meet your child's teacher and learn about the technology they will be using.

Grades 4-12

Students in grades 4-12 will meet in person in small groups one day the week of August 24. You will receive a letter which shares when your child is scheduled to attend.

Transportation will be provided to eligible students who were enrolled by mid-July. Information about transportation will be coming soon.

Parents of students in grades 4-12 will be invited to attend virtual parent orientations the week of August 24. Please be on the lookout for more information about these opportunities.

Due to orientations the week of August 24, the first day for in-class virtual lessons is August 31.

Please also note these important upcoming dates:

August 10 – Date to Enroll in Cincinnati Digital Academy

Week of August 10 – Parent Town Halls (connect to cps story)

Week of August 24 – Student and parent orientations

August 31 – first day of lessons via distance learning

Stay safe PRM, family!

Sincerely,

Amber C. Simpson
