We truly enjoyed everything that our Parents and Community does for PRM. • Thank you Foundation for all the fundraising and activities that took place this year at PRM. • Thank you for the 5th grade parents who have volunteered to help decorate, set-up and break-down the recognition ceremony.((Emma and Tami) • Field Day- I know students are so excited about this tradition. This event will happen on Friday, May 21, 2021 here at the school using our indoor spaces and outdoor spaces for a day of fun!

- **6th Grade Recognition-** The staff is sorry to see them go, but it is time for our 6th grader to leave and we can't let them go without letting them know how much we love, support, and encourage them on their next chapter. The recognition ceremony will be on **Tuesday, May 25th at 6pm** with a tentative rain date for Wednesday, May 26, 2021. Each student will get 2 tickets for their family members. More information will be forthcoming.
- **Summer Scholars Program-** Our Scholars program is from June 2-30th from 8:00am to 4:00pm. We will provide breakfast, academics in the morning, lunch, and a variety of activities for enrichment in the afternoon. **Look out for more information coming soon.**
- Keep watch for the **Possip Communication-** The district will send out communication twice a month. We ask that you respond back to the question(s) that they are posing to us. This information is tabulated and comes directly to the CLC office and Ms. Simpson which helps us in making improvements to PRM.

Community Resources:

Staff 3-6	Marissa Johnson	johnmar@cpsboe.k12.oh.us	<ul style="list-style-type: none"> The 3-6 team cannot believe how fast the year has gone! We have loved every minute with your children so thank you for sharing them with us. We are incredibly impressed at how much they have grown in our short (in-person) time together. Last week, each classroom finished MAP testing. This week we are working to come Acadeience testing. In science, we have been studying insects. Most of our classrooms had the opportunity to see an insect life cycle right in their classroom. Many of our communities watched the life cycle of a butterfly. These butterflies were then released in our school garden. In geography, we are in Australia! This is our 7th and last continent of study. We are learning about the animals, biomes, and culture in Australia. With around 2 weeks left, we are spending our fleeting days enjoying our communities and environments. We appreciate your support, flexibility, and grace more than you know! Have a wonderful summer making memories with your families.
Staff 6-9	Colleen Arbuckle	ArbuckM@cpsboe.k12.oh.us	<ul style="list-style-type: none"> The 6-9 Team is finishing up the year with smiles on our faces and love in our hearts! Each classroom has completed 3rd Grade Testing and MAP testing. We are now working 1 on 1 with students to complete Acadience testing. This data will be used for next year's planning and lessons. If you would like this information be sure to reach out to your student's teacher so you can get an update on your learner's academic growth. The 6-9 Team also had an amazing opportunity to watch 3 stages of the butterfly life cycle in their classroom. Students loved watching their caterpillar create their chrysalis, and then hatch into a Painted Lady Butterflies. Each classroom was able to release their butterflies into our own PRM Garden! As our year comes to an end we will celebrate our 3rd grade students as the transition to their new communities and welcome new learners during Transition Day. This year will forever be remembered and the 6-9 Team cannot thank the PRM Community enough for their constant support and flexibility. Thank you so much for sharing your children with us!
