January 11, 2022

Dear PRM Families,

On Monday evening, the CPS school board voted for our district to transition to remote learning for all students from January 12th-21st. The goal is for us to return to full in-person learning on Monday, January 24th. This decision was made primarily as a result of staffing challenges due to a significant increase in community spread of COVID-19 in Greater Cincinnati.

Important Updates as We Transition to Distance Learning

Students should have received the following in-person or by email:

- Classroom teacher remote learning letter
- Schedules by teacher, meeting codes and office hours

Bringing Home Personal Items

- Teachers will be sending students home with their technology and all other personal items.

Extracurricular Activities

- Clubs will continue virtually.
- Athletics will continue in person.

Additional Services

- **Food Hubs:** 5-day meal packs will be distributed on Wednesday 1/12/22 and 1/19/22 from 10am-1pm.
- **Health centers** will remain open, and we encourage families to check the website for current schedules.
- **Mental health services, OT, and PT** will continue via telehealth.
- **Nurses** will continue to provide testing for students by appointment with the health office at each school. If your child tests positive for COVID-19 during remote learning, please continue to report to Nurse Terra Brulport at (513) 363-4421 or brulpot@cpsboe.k12.oh.us.
- **The PRM Office Staff** will be available remotely by calling 513-363-4400. The main office will be staffed to assist visitors daily from 7:30am-3pm.
- **Central Office** will remain open to the public with current hours, 8:30 a.m.- 4:30 p.m., Monday – Friday.
