

## PHASE ONE: FIELD & GARDEN

# PRM OUTDOORS REIMAGINED

### What does reimagining our outdoor space look like?

- A new and enhanced garden to continue our outdoor education program.
- Transforming the current garden space into a turf field/mini-pitch to gain much needed open, play space.
- A future phase to upgrade playground equipment

We envision a vibrant, inclusive outdoor space where every child feels safe and has the opportunity to explore, move and play.
